PROFESSIONAL SUMMARY

BCA student (graduating 2027) building hands-on experience in Python, Django, JavaScript and MySQL through coursework, workshops and independent projects. Built and deployed a full-stack Hotel Management System covering booking, payment and dashboard modules. Seeking an internship or entry-level Software/Web Developer role to apply and grow full-stack development skills.

TECHNICAL SKILLS

Languages: Python, JavaScript, PHP

Frameworks: Django (ORM, URL routing, templating)

Web: HTML5, CSS3, Responsive UI Design

Database: MySQL (schema design, queries, integration)

Tools & Version Control: Git, GitHub, VS Code

Core Competencies: Web Development, Database Management, Debugging, Problem Solving

PROJECT

Hotel Management System | *PHP, MySQL, HTML, CSS, JavaScript* | github.com/Gaurav0708Sharma

- Built a full-stack web application automating hotel operations across 5 modules: customer management, staff, room booking, check-in/check-out and payments.
- Designed a centralized admin dashboard with real-time booking status, reducing manual front-desk tracking steps.
- Implemented relational MySQL schema integration and responsive UI, tested across desktop and mobile viewports.

EDUCATION

Bachelor of Computer Applications (BCA) — 2024–2027 (Expected)

Rajiv Academy for Technology and Management, Mathura | DBRAU, Agra | 80%

Intermediate (UP Board), 2024 — 78%

High School (UP Board), 2022 — 72%

CERTIFICATIONS

- Python Advanced with Django & Web Development — Emax India (KPS Computer Classes)
- Advanced Diploma in Information Technology (ADIT)
- Microsoft Excel Certification

ACHIEVEMENTS

- Built hands-on expertise in Django, ORM, URL routing, templating and full-stack development through an intensive workshop by Emax India (KPS Computer Classes).
- Competed in Vibe Hackathon, collaborating in a team to design and pitch a working prototype under time constraints.
- Strengthened teamwork, communication and agile collaboration skills through multiple group development projects.

SOFT SKILLS

Problem Solving, Quick Learning, Teamwork, Adaptability, Communication, Time Management

LANGUAGES

Hindi (Native) | English (Professional Working Proficiency)
